ARTS & CULTURAL ENGAGEMENT | ALIGNMENT LEADING THE GLOBAL CONSCIOUS PARADIGM SHIFT

ABOUT ARTS & CULTURAL ENGAGEMENT

HART CULTURE C.I.C. has been following closely the Business Manual Booklet 2010 – 2011 that puts the projections of the Companies focus from 2010 to 2014. This is the year ending of that booklet and we will be publishing the new booklet later on in 2015 after a review of the collated casestudies.

DEVELOPMENT

Golden Era Partners such as Bubbles FM and Key Team Leaders such Samel Ade, Bianca Tomlinson, Transform Newham, Communities of health, Althea Smith (Ex Mayor of Southwark), Lookman Sanusi (Heavy Wind Media) and brief Volunteer Professionals such as David Oforu-Appiah have all kept the momentum of Leading the Golden Era and actualised everything that has needed to be done.

Social Media was used to collect comments and connect with people around the world, however later on in the year of 2014, Facebook Inc issued Hart Culture Profile with a 'notice' that these comments would be deleted if it was not 'changed' into a 'brand'. (a type of Social Tool on their platform). This 'change' caused the loss of vital comments and writing related to the 'live transitional processes of the 'Golden Era'? This was a disappointment to us, as we have not got any experts at HC to retrieve all of those lost comments. This may be something to look into as soon as the times become available.

HART CULTURE is the now the leading Social Enterprise 100% dedicated to promoting the Return of The Golden Race since 21 December 2012 for the last three consecutive years.

HART CULTURE has achieved three successful Positive Alignment events observing the Anniversary of the 2012 Planetary Alignment & Golden Era, preparing Nations for the second Golden Age, where we'll see the Gods actually return back to the Earth surface living amongst us on the earth as Prophesied.

HART CULTURE is more than just business, it's prophetic.

FORWARD THINKING

HART CULTURE'S is the official leader of the 'Golden Era', and is the chosen and approved Foundation by local communities to issue 'Education' about how to move safely into the coming 'Golden Age'.

This is a great honour, as the leader of the Organisation is merely 28 years old, and nothing of this magnitude or feat has ever been bestowed on a 28 year old since Alexandria stamped into Egypt to Colonise Upper & Lower Egypt removing all 'essence' of the 'Black Egyptian' out of 'Cultural Awareness' or from divine countenance. The demise of the 'Positive Black Image', as that of next too 'divine' would take up to the year of 21 December 2012 to 'fully restore'.

WIDER PARTICIPATION

Because of this 'restoration' of 'truth' to our 'divine image' as a people and the 'Kingdoms' that we emerged from, other 'peoples', parts of the black communities and the next generation can enjoy 'soaking up the rays' of 'divine countenance' again from this 11 Year' Arts Regeneration preparation.

ARTS & CULTURAL ENGAGEMENT | INTERNATIONAL RECOGNITION AWARDS LEADING THE GLOBAL CONSCIOUS PARADIGM SHIFT

HC Head quarters,
East London
Silvertown
London E16

ABOUT ARTS & CULTURAL ENGAGEMENT

The Conscious Shift is there to enhance the 'Arts & Cultural Engagement' movement. A Social Media Community Page was organised to help 'collate' people together that all support or want to 'walk in Alignment' immediately after the 2012 Alignment Event, held on 21 December 2012. <http://www.facebook.com/2012Align>. After this page was published, it seems that many other 'Pages' were also published using similar names and 'characters', however the 'Official Page' hosted by 'HART CULTURE C.I.C.' still remains the authentic Global Link to the 'Alignment' and is always the top '4' choices if you use the 'search' tool in Facebook for 'Alignment' or #2012Alignment.

TECHNIQUES

HART CULTURE C.I.C. and its employed Team of Professionals have exhausted every Modern option and Social Platform to get the message of the '2012 Alignment & Golden Era' to the 'people of tomorrow'.

Facebook, Youtube, Twitter, Flickr and Linkd In.

Other channels include Radio & Live Broadcasting.

Resource material produced to celebrate and raise awareness about the 2012 Alignment and Golden Era. HC Publishing, 2012

FORWARD THINKING

The main HART CULTURE message was broadcasted at the 12.12.12 Turning Point event at the O2 Greenwich, the home of 'Time & Space' on the British Meridian line.

Team Leader of the Golden Era – Ms Hart, interviewed a series of African Actors and Actresses to ask them if they 'understood' what the 'Golden Era' was about and how they felt about the 'Golden Era'. All the responses were recorded and broadcasted for wider participation and we were pleased with the results.

ARTS & CULTURAL ENGAGEMENT | POSITIVE MEDIA SYNDICATE

LEADING THE GLOBAL CONSCIOUS PARADIGM SHIFT

HC Head quarters,
East London
Silvertown
London E16

ARTS & CULTURAL ENGAGEMENT

AFRICA INTERNATIONAL STANDARDS

PMS is designed to keep the Positive Vibration that is continuously targeted by dubious forces - thriving. It is no different to a virus attacking the human body cells by contamination or by a hacker sending malicious viruses under disguise to a victim's computer to intentionally corrupt its mainframe. We work for a 'Positive Media Syndicate' and we do nothing else. The Positive Media Syndicate, "PMS" - is positioned to enhance the position and natural beauty of African's (The Golden Era definition of 'African's' includes Caribbean's/African American's, Haitian's and Cuban's) around the world. This includes Culture, Nature, Architecture, Vernacular Business/Trade, Hair, Education, Tribal Consciousness and African Spiritual Attainment.

ETHNIC MEDIA STANDARDS

The Positive Media Syndicate exists to follow the Hart Of Culture in Business and in Trading Standards. PMS exists to improve and lead the way in presenting 100% Positive Image only of Black/Ethnic/African Peoples and their achievements. Please see why we do not cater for 'trending' News in the PMS Section of the website.

POSITIVE MEDIA SYNDICATE

Syndicated Media. <http://www.hartculture.com/pms/>

FORWARD THINKING

This innovation, is combination of the 'United Kingdom' and the first Ancient Kingdom/Civilisation of 'Nubia' who were intentionally 'scattered' from these areas over a period of 5,550 Years. All members of this scattered community hold the same values, principle and aspirations, however live in a 'foreign' land establishment. Their common epicentre before the 'reversal of roles' was the epicentre - 'Kemet'. This was the place where the first Newspaper was created to spread news about the positive achievement of the Black Pharaoh's that built extensive pyramids that are still standing today - The 'Hart Scarab'.

WIDER PARTICIPATION

The Positive Media Syndicate, "PMS" - is positioned in the United Kingdom to enhance the position of "United Kingdom of Nubia". This involves African's that are unsure of their natural heritage due to war and European conquest, and the 'subjugation of enslavement Imperial Records' in unknown places that have the power to identify exactly where their ancestry was cut off from.?

ARTS & CULTURAL ENGAGEMENT

"The title 'World Book Capital' is conferred by UNESCO on a city in recognition of the quality of its programmes to foster the promotion of books and to encourage reading. The concept was initiated in 2001 with Madrid as the first city to be given the title, followed by Alexandria in 2002 and New Delhi in 2003. Port Harcourt, the current World Book Capital City, will hand over to Incheon in April 2015".

TECHNIQUES

There are many different skills and Communications involved in a large scale event such as these. It is evident that other HC Business Members also attend events like this, and so a cross-fertilisation of familiarity and Network support is present.

Each year one of our main objectives is to ensure that we produce a viable Exhibition of the Pupils and Students Work.

FORWARD THINKING

Global Events on this scale that involve the 'home countries' of the many Tribes and Nations that we serve are examples that HART CULTURE is needed and continues to be resourceful in its mission to foster International links and partnerships across the Diaspora.

WIDER PARTICIPATION

The whole aim about HART CULTURE is to ensure that Professionals and Entrepreneurs on the ground who need support or an 'extra pair of hands' have access to other respective good high quality Professionals that they can reach out too for help and support.

"I congratulate the city of Port Harcourt...for this honour which they have brought, not only to the nation but to the African continent..."

Professor Wole Soyinka
Nobel Laureate

"We welcome UNESCO's recognition of our collective efforts to revive the reading culture... I would also like to congratulate... Port Harcourt (for being) the World Capital for books, in the year of our beloved nation's centenary."

His Excellency Dr. Goodluck Ebele Jonathan, GCFR
President, Federal Republic of Nigeria

"I extend my congratulations to the city of Port Harcourt for the quality of its proposed programme, which provides for extensive public participation and aims to develop reading for all..."
